Principals Message
We are all very excited about some opportunities coming up.
Next week we have the school leaders participating in a video conference with other student leaders in the Lachlan schools network. We look forward to getting together in the future and learning from other schools who have an active Student Representative Council.
Students are preparing to perform at the Lions Club luncheon in Week 8 and are really looking forward to it.
We wish Haydan, Jake, Brooke, Bailie and Rianna all the best on Friday in Dubbo.
Regards, Ms Tracey Graves
Relieving Principal

School Swimming for Sport
Swimming will continue this Friday and I would like to ask that if any parents would like to volunteer to take a swimming group (you can get in or stay out of the water), to please let me know at school. Any help would be greatly appreciated.
Please remember students $1 entry, swimmers and towel.
Ms. Dalla Vecchia

FORBES
WHY – TO HAVE MORE GIRLS PLAYING SOCCER

What is AIA Vitality Miniroos Soccer for Girls?

Miniroos is a smaller version of football that provides girls aged 5 -11 with a fun introduction to the world game. It provides opportunities for girls to play with their friends in a fun and safe environment. It involves girls that have never played before and those that may have already registered for their local club. It enables young girls to build confidence in a girls-only environment while learning the basic skills of the game. Girls can also play in mixed teams in their club weekend competition.
