Principals Message
We have had a very full week this week. Starting off with Rianna and Bailie competing in horsing riding in Lithgow on Monday and gaining 4 ribbons between them. On Tuesday the seniors joined a video conference with other schools to learn about what a Student Representative Council can do at school to be effective. We agree it would be better to be there in person next time they meet. Also on Tuesday, school photographs were taken. With such a good looking group of students the photos are bound to look amazing. Today we have all visited Healthy Harold, all the kids had fun, learnt a lot and got to pat Harold on the way out the door.

We look forward to seeing parents on Friday for the leaders induction assembly. Parents will pin the badges on your children and witness them recite the pledge.

Regards, Ms Tracey Graves
Relieving Principal

Horse Sports
Congratulations to Bailie and Rianna for their efforts at the Evans Crown Interschool’s Horse Sports Day at Lithgow on Monday. The girls won a combined 3rd place in the pairs event and Rianna won an individual 2nd in the Rider in Action and 4th in the 3 Mug Race. The day is packed full of Hacking and Sporting events and the girls did themselves proud among the stiff competition.

HEAD LICE

Could all families be reminded that head lice season is beginning and it is time to keep a constant check on your children's hair. Check every day or as often as possible and if in doubt treat just to be on the safe side.
Please, if your child has lice keep them at home until treatment has commenced and remember to do follow up treatments every week to prevent reinfection until the life cycle has been broken.
Start Prevention Strategies:
* Tie hair back so it is not loose ie plait or bun.
* Buy a barrier spray from the chemist
* Remind your child to let you know when scalp is itchy.
* Buy solution, so if you do find them you can treat straight away.

If you need assistance with the cost of the treatment products, please contact the office.

Harold Merchandise

Some of the items that the children have requested will need to be ordered in by the Life Education Teacher. These will be available at a later date. Thank you for your patience.
