Principals Message
Due to a number of reasons I have decided to return to my school in Orange next term. I have enjoyed working in the primary and infants classes and have found the students to be a great joy and inspiration during my time at Eugowra Public School.
Ms D has agreed to step into the relieving principal role for Term 2 and 3 and will remain teaching the K-2 class. Miss Adams will be teaching the primary class 5 days per week.
Regards, Ms Tracey Graves
Relieving Principal

PSSA Sport Trials
Congratulations to Lauren, Toby and Haydan, who were all selected in their respective sports to trial for the Western PSSA team. Well done, and good luck in the next trials. We’d also like to say great job to Bailie who played in the Forbes Small Schools Netball team on Friday the 20th. Although Condobolin P.S was the strongest side, Bailie’s defence was outstanding and she should be very proud of the way she played.

K-2 Champion Homework
A reminder to all parents that this is the last week for homework and it would be appreciated that all folders, activities and reading books be returned by the end of the term, so that I can organise Homework for Term 2. Thanks, Ms D.

School Swimming
This Friday, the 27th of March will be our last swimming session for sport (if the weather is good to us). I’d like to take this opportunity to thank all the students for their wonderful behaviour at the pool, and to the staff and Katherine Matheson for their help with groups. It was very much appreciated, so thanks again. Please remember students $1 entry, swimmers and towel. Ms Dalla Vecchia

School Fitness
As part of Eugowra Public’s PDHPE program, students participate in Fitness most mornings of the week. Recently, we have given our House Captains the responsibility to run and organise equipment for each fitness activity held during the week. We at Eugowra Public think they are doing a wonderful job and are very proud of the leadership and initiative skills they have been showing. Keep it up!!

HEAD LICE
Please keep a constant check on your children’s hair. Please, if your child has lice keep them at home until treatment has commenced and remember to do follow up treatments every week to prevent reinfection until the life cycle has been broken.
Please tie hair back so it is not loose.
