Principals Message
We had a wonderful PJ day last Friday! All of the students and teachers looked very comfy. Thank you everyone for supporting this cause. All students enjoyed the ‘Voices of ANZAC’ performance on Monday and it was great that we could find another opportunity to do something with St Joseph’s. We wish our debating team good luck for next Tuesday the 9th of June as they travel to Cowra for their second debate of the term. As well as that, good luck to our cross country runners competing in the Western Cross Country carnival in Geurie on Wednesday the 10th of June. Remember there will be no pub orders this Friday. Pies, sausage rolls, pizzas and chicken sticks will still be available to order. Have a FABULOUS week, families, friends, students and staff of Eugowra Public School, and enjoy the long weekend! Don’t forget, no school on Monday the 8th of June.

Ms. Dalla Vecchia
(Relieving Principal)

Western Cross Country
All students should have returned their Western Cross Country permission notes as these notes need to be signed and stamped by the school before students are allowed to compete at the carnival. If you haven’t returned this note please do so no later than Friday the 5th of June. All details are on the note, but if you have any further questions please don’t hesitate to contact Ms. Dalla Vecchia.

Eugowra Schools Athletics Carnival
Our Eugowra Schools Athletics Carnival is happening on Friday the 19th of June (weather permitting). It is Eugowra Public’s turn to organise/run this carnival. We are getting in early and asking any parents who think they may be able to help out in any way e.g. transporting equipment/tent, helping with age groups or timing or hair spraying and face painting to please let Ms. D know. More information about the carnival and program will be included in the following newsletters.

National Data Collection
Eugowra Public School will be completing the National Data Collection over the upcoming weeks. This is an annual collection that counts the number of school students with a disability or learning difficulty and the level of educational adjustments they are provided with. This information collected will help teachers, principals, education authorities and families to better support our students. For further information please contact the school and speak with your classroom teacher.

LEEP
LEEP – Lachlan Engagement Enrichment Program
Congratulations to Nina Merchant, Mitchell McMahon and Alec MacLean for selection in the LEEP program. This program is an opportunity for these students to participate in enrichment programs around Maths and Science at Forbes High School. They were selected out of students from Stage 2 and 3 from Bedgerebong, Bogan Gate, Forbes North and Forbes Public. Their first day was on Tuesday the 2nd of June and we hope they had a great experience.
