Principals Message

What a great performance by Miss Adams on Sunday night, she was amazing!!
Eugowra Public had a brilliant Education Week last week and we were so happy to see all the parents who were able to join in our activities during the week, thanks very much! Well done to all of our students who competed in the PSSA Athletics carnival on Friday in Parkes. All students represented our Small Schools wonderfully and we also had a number of students qualify for the Area carnival in Dubbo. More information will be given out in the upcoming weeks to those students. Year 6 also had a fantastic day on Thursday when they participated in the Eco Day and were great representatives for our school. Finally we had a lovely time at our CWA Italy presentation and I hope students gained a little bit of insight into the country of study – Italy. Other than that I hope everyone has a fantastic week and GO MISS ADAMS ON THE VOICE!

Eugowra Public Schools.... Winter/Spring Cookbook!!
As part of our garden and cooking projects we thought it would be a great idea to begin our very own Winter/Spring cookbook. Then, we will be able to include the recipes of the foods we cook here at school for you to taste at home. However, we need your help!!! We would love it if our families could contribute their own recipes by sending them in from home. It can be anything from salads, sides, mains, desserts, cakes, slices and drinks. Then our students will also be able to try and cook some of these recipes, and then they will be included into our school cookbook as well. We really appreciate all the support you can give us!!

Jeans for Genes Day
On Friday the 7th of August, for a gold coin donation, students are allowed to wear their jeans to school to support ‘Jeans for Genes’ Day. A worthy cause helping scientists at Children’s Medical Research Institute find cures for a range of childhood diseases.

Week 5 COOKING!!
Next week Eugowra Public school will be cooking on various days. We will be keeping with our Italian theme, which means that we will be creating pizzas and spaghetti bolognaise. If there are left overs and you would like your child to bring some of their cooking home please send in a small plastic container, labelled with your family’s name. Thanks very much!

Who can do Little Athletics? NSW Little Athletics venues are able to cater for children from 4 to 16 years of age, with many Centres able to cater for athletes with a disability. No matter what your skills or ability Little Athletics is all about family, fun & fitness® and making sure you can be your best®.

How will I learn?
Many Centres have coaches to help you improve and learn about athletics so you can get the most out of your involvement with Little Athletics. Learning is fun and in no time you will see your personal best (PB) performances improve.

What are the benefits?
If you are fit it makes you feel good about yourself and you have the energy to do anything. Young people who take an interest in sport are more likely to stay fit for life.

What does my mum, dad or family have to do?
Apart from making sure you get safely to and from Little Athletics, your mum and/or dad or your family make great helpers and officials and coaches of the future. Organising, baking, recording, directing and measuring are all jobs families and helpers are asked to do.

What events can I do?

How friendly is it?
You will find no shortage of friends or friendships at Little Athletics! Little Athletics has provided a friendly environment for over 40 years with millions of Aussies enjoying their experience. If you are uncertain or a little shy, bring your best friend and do Little Athletics together.
