Principal's Message
It was really lovely seeing our parents and family members join us for a picnic lunch on Friday, we are hoping that this will be an ongoing activity which we will try to hold at the end of each month, as it’s a nice way of visiting the school and spending time with us. This week students will be having fruit smoothies in celebration of ‘Fruit and Veg’ month, and K – 2 Champions will be having a visit from the Responsible Pet Ownership to listen to a talk about looking after pets. This newsletter also has pictures of our Dish Excursion, reminders and updates on how students went in the Western Region Athletics Carnival. We are also celebrating SASS staff week! This means that, we are making sure we show our appreciation towards Kylie, Donna, Gail and Craig for their dedication and hard work that they do here at Eugowra Public School, this school wouldn’t be the same without them. Other than that I hope everyone has a brilliant week.

Ms. Dalla Vecchia
(Relieving Principal)

Western PSSA Athletics

HEAD LICE Please continue to check children's hair for head lice.
Please keep a constant check on your children's hair.
If your child has lice keep them at home until treatment has commenced and remember to do follow up treatments every week to prevent reinfestation until the life cycle has been broken.

Please tie hair back in a Plait or bun so it is not loose!
