Principals Message

Welcome back to Term 3. I hope you all had a safe and happy holiday and are ready for another term.

This Friday students will be involved in the Eugowra Schools Athletics Carnival with St. Joseph’s school. More information on the carnival is provided throughout this newsletter.

Congratulations to Olivia Connell who is now a big sister to her beautiful baby brother Adam. We send our thoughts to Annette and her family and hope they return home soon.

A reminder that if you would like a Parent / Teacher interview and were unable to do it last Term, please don’t hesitate to contact the school. Sonia and I would be more than happy to arrange an appointment.

Looking forward to another successful term.

Regards,
Carmel McMurray

Dear Parents,

As you are aware, the recent bus service, of transporting students from school to after school care has ceased. We are in the process of applying to get approval for Margaret and Bill Hayes to be legally allowed to divert there bus run to do after school care drop-offs. They are more than happy to do this if we can get approval. This is not an extension of there run, just a diversion, they will not be paid for it, but are still happy to offer a community service!!

If you are a parent wanting this service for your pre-schoolers to be able to use the general bus run, (in the mornings and afternoons) we will need support from you also.

This entails collecting of support letters from schools, parents, local politicians etc, general data of how many children utilize the service, and then applying to the Department of Transport for NSW.

In the mean time, John Greenhalgh has agreed to transport any Public School students to the Catholic School, which will then be collected by our After School Care staff. This service will be Monday, Tuesday, Wednesday and Thursday afternoons and subject to change.

It will be the Parents and Children's responsibility to let staff at school know, if they are to catch Johns bus to the Catholic School, we cannot expect it to be his responsibility to follow up on these extra children to be transported!!
We are all doing our best to provide a much needed service in our town....

Please send any queries or letters of support to me...
