Principals Message

What a term! It has gone so fast and has been very busy and I am pleased to say I have thoroughly enjoyed my first term here at Eugowra Public School.

Sonia and I have been holding Parent / Teacher meetings this week and I would like to remind all parents that if you were not able to meet with us this week we are happy to make a time for the beginning of next Term.

For next term, students return on Tuesday 17th July as the Monday 16th is a Staff Development Day.

PSSA Soccer

Yesterday Lane, Jodi, Corey and Savannah travelled to Forbes to play against Forbes Public School as part of the Small Schools Soccer team. Congratulations to Forbes Public School on their win. Thank you to the parents for transporting the students over to Forbes.

Forbes Eisteddfod

A big thank you to all parents and family members for transporting students to Forbes on Monday. It was a long day and I was very proud of students behavior and efforts. The students participated in the Primary School section with “I see the Stars” and “Imagine”. And in the Small Schools Choir with “Rain” and “Eugowra Rocks”. Congratulations to the band members who received a highly commended in their section.

Thank you to Mr Noonan and Mrs Heinzel for getting students ready for the eisteddfod.

End of Term Assembly and Breakfast

A reminder that we will be holding an end of term breakfast tomorrow, Thursday 28th June at 9am. All parents & family members are invited and are welcome to stay for our End of Term Assembly at Approx. 9:40am

If any one has an electric fry-pan please bring it in for the breakfast.
Heating Up of Food at School

Following a recent visit to the school from the Departments Work Health and Safety Advisor, we were advised the following;

As of next Term students will not be allowed to have their food heated up in the microwave. This is for Occupational Health and Safety (OHS) reasons and is in the best interests of all students.

If students require warm food, it is advised to purchase a food thermos which can be purchased at a reasonable price at ALDI stores.

We apologise for any inconvenience and are merely enforcing the ban to ensure the health and safety of our students and to comply with food and hygiene standards.

Have a safe holiday.
Regards,
Carmel McMurray

A Super Star
Update

Hi to all Parents and Friends of Eugowra Public School!!!!

End of Term 2 - we can't believe it!!!! We have worked so hard, and are looking forward to the break. We have really enjoyed this term, and what we have learnt about was really interesting, especially about bushrangers, emus, wombats and crocodiles.

Thank you to everyone that helped in our class room this term - Mrs Hyde, Mr Jones, Ms Donna and Mrs McMahon, we really appreciated it.
We hope everyone has a fantastic holiday.
From K/1/2 Super Stars.

These are photos of our Bushrangers camp site that has been a part of our class room during this term

Dear Parents,

As you are aware, we have volunteered to take your children by bus to preschool and before and after school care. The bus service around to the preschool does not have the approval of the Department of Transport as it does not form part of our contracted bus route. It has been run as a community service only.

However, in light of a recent serious incident on my normal bus route, it has brought to light how easily incidents can happen. With this in mind, it is with deep regret that we can no longer provide the bus service to preschool or before and after school care. This service will therefore cease at the end of this term and will not recommence in term 3.

We realise this will cause some of you a great deal of inconvenience, and we sincerely apologise for it. It is unfortunate that we have had to make this decision. However, we cannot afford for an incident to occur on the way to and from the preschool, as this will jeopardise our accreditation and school bus runs.

Once again, we sincerely apologise and thank you for your understanding.

Yours faithfully

Margaret Hayes
