Principals Message

We began our whole-school assemblies on Monday. At these assemblies, teachers will be handing out Special Awards to students and students will also be able to share work they are doing in class.

With the newsletter this week, you will get a copy of the Parents Guide to the NSW Primary Syllabuses. This explains the different subjects (Key Learning Areas) that students will be learning.

This week students will begin participating in Golf as part of Active School Sports, and on Friday afternoons we will be doing Athletics practice. If any parents would like to help with Athletics practice please let Sonia or myself know.

If anyone is willing to offer some assistance in covering library books please let the school or Esther know. It would be greatly appreciated.

Regards,
Carmel McMurray
Welcome Back to Term 2!!!!

We have had a super star start to Term 2. We started off the term writing recounts about our holidays, and now we have started writing stories. This term we will also be learning about Bushrangers to get us ready for the Sesquicentenary of the Gold Escort Hold-Up at Eugowra Rocks. Our term is going to be very busy again, but very exciting and we are all looking forward to it. It is great to be back.

From K/1/2 Super Stars

Writing - K/1/2

My Holiday
In the holidays Toby came over for a sleep over. We also went out to the farm and Pop jumped a big jump.

By Mitchell
Class: Yr 1

My Holiday
On the holidays I stacked my bike. We went in the long grass on the buggy.

By Alec.
Class Kinder

My Holiday
On the holiday I played with my dog. In the holidays I went to my dada. In the holidays I went to find Easter eggs. In the holidays I lost my tooth. In the holidays I played hide and go seek.

By Olivia
Class: Yr 1
