Woolworths Earn and Learn

We are again participating in this program. This year you will collect stickers at the checkout for every $10 spent (excl. liquor, tobacco & gift cards).

These will be placed on the sticker card, and when full returned to the school collection box in the office. Sticker cards are included with the newsletter. If you need more there are ‘thousands’ in the office. Thank you for your support.
A Super Star Story

Once upon a time there was a little mermaid called Emma. She had two best friends called Cleo and Sophie. They always wondered what it would be like to be a human being. A year later their mums gave them necklaces that when they got out of water they were human and when they got back in the water they were mermaids again. But they never wanted to go from the human world so they never went in the water again.
